

• v0.42 – now with on-chain case studies

AI-NATIVE INTERFACES SHIPPED ON-CHAIN.

I'm Christian Wu — designer-engineer building Web3 product surfaces,
MCP tooling and AI assistant systems. Twelve case studies, three
production tools, ledgered work.

// CASE-STUDY/023

Skywalker MCP Suite

Designed and shipped a unified MCP server that makes my entire toolchain — Figma, Claude, on-chain ledger, Skywalker CLI — callable as typed actions from any agent surface.
